Saying Goodbye

The Muffs

I've got better things to do
And better things to listen to
Than all your ranting and raving on me
It's all of the time now
And it's too late for you to find reality hereNow I want you out of my life
What they say is you're out of your mind
I regret the days gone by and all my alibis
It makes me want to cry
But you're out of my life when I'm saying
I'm saying goodbye, yeahNo matter what you say
No matter what you do
I'll always have a low opinion of you
I've finally done it and it's too late
For you to try and make up with meNow I've got you out of my life
And I've got you out of my mind
I regret the days gone by and all my alibis
It makes me want to cry
But you're out of my life when I'm saying
I'm saying goodbye, yeahNow I've got you out of my life
And I've got you out of my mind
I regret the days gone by and all my alibis
It makes me want to cry
But you're out of my life when I'm saying
I'm saying goodbye, yeah
You're out of my life when I'm saying
I'm saying goodbye, yeah
