The One You Want

Todd Agnew

The One You Want
I cant let You see me this way.
How could You love me in my shame?
I felt, God, Im filthy again.
Still I hear You call my name.
Its hard for me to believe I could be lovely in Your eyes, that Im really the one You want.
Its hard for me to believe, You would want me by Your side, that Im really the one You want.
Im really the one You want.
I wish my stumbling finally would end.
But, I need Your mercy once again.
Ive shed these tears so many times.
Still, You pick me up and hold me tight.
Its hard for me to believe I could be lovely in Your eyes, that Im really the one You want.
Its hard for me to believe, You would want me by Your side.
Im really the one You want.
And, You love me, You love me. You love me still.
You love me. You love me, and You always will.
You will.
(The one You want.)
Im really the one You want.
(The one You want.)
Its hard for me to believe I could be lovely in Your eyes, that Im really the one You want.
(The one You want.)
Its hard for me to believe, You would want me by Your side.
Im really the one You want.
(The one You want.)
And, You love me, You love me. You love me still.
You love me. You love me, and you always will.
