Euphoria

Collide

::I calibrate you
Could get lost along the way
I confiscate you
While I find the meaning

I feel I could not escape you
I feel I could not escape you
Euphoria
Close to euphoria

I could get lost
Variations
Come closing in
Evaporating

What I am
Like a pin that pricks you
And perforates you further
Your simulations could get lost along the way

I could get lost
Variations come closing in
Evaporating what I am
Feel some kind of strange

Open the doorway
Love will find you
Would you wait forever?
Love will find you

Would you wait forever?
Variations come closing in
Evaporating what I am
Feel some kind of strange
