Euphoria

Collide

::I calibrate you
Could get lost along the way
I confiscate you
While I find the meaning

I feel I could not escape you
I feel I could not escape you
Euphoria
Close to euphoria

I could get lost Variations Come closing in Evaporating

What I am
Like a pin that pricks you
And perforates you further
Your simulations could get lost along the way

I could get lost Variations come closing in Evaporating what I am Feel some kind of strange

Open the doorway Love will find you Would you wait forever? Love will find you

Would you wait forever? Variations come closing in Evaporating what I am Feel some kind of strange
