Assemble the Empire

Sparta

Don't make this fake
Last second of life
Faux obsolete
Assemble the empireFollowing fell on hard times
This one won't count
We won't count it at allSlow down these factions cast
The failure of crowns
Benevolence forces itselfFallen from state
Into the hands of the law
Slow down these factions cast
The failure of crownsDon't make this fake
Last second of life
Faux obsolete
Assemble the empireSlow down
Slow down
Slow down
Slow down
Slow down
Slow down
