Lost in Music

Sister Sledge

Were lost in music, caught in a trap
No turnin back, were lost in music
Were lost in music, feel so alive
I quit my 9 to 5, were lost in musicHave you ever seen some people lose everything?
First to go is their mind, huh
Responsibility to me is a tragedy
Ill get a job some other time, uh, huhI want to join a band and play in front of crazy fans
Yes, I call that temptation
Give me the melody, thats all that I ever need
The music is my salvationWere lost in music, caught in a trap
No turnin back, were lost in music
Were lost in music, feel so alive
I quit my 9 to 5, were lost in musicMmm, hmm, in spotlight the band plays so very tight
Each and every night, uh, huh
Its not vanity to me, its my sanity
I could never surviveSome people ask me, what are you gonna be?
Why dont you go get a job? Uh, uh
All that I could say, I wont give up my music
Not me, not now, no way, no how, oh, ohWere lost in music, caught in a trap, caught up in our music
No turnin back, ooh, ooh, ooh, were lost in musicWere lost in music, dont take our away our music
Feel so alive, feel
I quit, I quit my 9 to 5, yeah
Were lost in musicWere lost in music, melody is good to me
Caught in a trap, Im caught up in it
No turnin back, no, no, no
Were lost in music, ooh, doo, doo, doo, doo, doo, doo, doo
Were lost in music, da, da, da, da, da, da, da
