

# Lost in Music

## Sister Sledge

Were lost in music, caught in a trap  
No turnin back, were lost in music  
Were lost in music, feel so alive  
I quit my 9 to 5, were lost in music Have you ever seen some people lose everything?  
First to go is their mind, huh  
Responsibility to me is a tragedy  
Ill get a job some other time, uh, huh I want to join a band and play in front of crazy fans  
Yes, I call that temptation  
Give me the melody, thats all that I ever need  
The music is my salvation Were lost in music, caught in a trap  
No turnin back, were lost in music  
Were lost in music, feel so alive  
I quit my 9 to 5, were lost in music Mmm, hmm, in spotlight the band plays so very tight  
Each and every night, uh, huh  
Its not vanity to me, its my sanity  
I could never survive Some people ask me, what are you gonna be?  
Why dont you go get a job? Uh, uh  
All that I could say, I wont give up my music  
Not me, not now, no way, no how, oh, oh Were lost in music, caught in a trap, caught up in our music  
No turnin back, ooh, ooh, ooh, were lost in music Were lost in music, dont take our away our music  
Feel so alive, feel  
I quit, I quit my 9 to 5, yeah  
Were lost in music Were lost in music, melody is good to me  
Caught in a trap, Im caught up in it  
No turnin back, no, no, no  
Were lost in music, ooh, doo, doo, doo, doo, doo, doo, doo  
Were lost in music, da, da, da, da, da, da, da
