

That's All Right

Rod Stewart

That's all right, my mama
That's all right for you
That's all right, my mama
Any old way you do But that's all right, well that's all right
Well that's all right, my mama
And anyway that you wanna do, ooh My mother, she did tell me
Papa did tell me too
Son that woman that you're foolin' with
She ain't no good for you But that's all right, well that's all right
Yeah that's all right, my mama
And any old way that you wanna do I'll be leaving here tomorrow
Leaving here for sure
You ain't gotta be bothered with me
Hangin' 'round your door But that's all right, yeah that's all right
Well that's all right, my mama
Anyway that you wanna do, ooh That's all right, my mama
That's all right for you
That's all right, my mama
Any old way you do But that's all right, oh well that's all right
Well that's all right, my mama
Anyway that you wanna do, oh And that's all right, my mama
Anyway you wanna do, ooh
Well that's all right, my mama
Anyway you wanna do, oh yeah Well that's all right, my mama
Anyway you're gonna do, ooh
That's all right, my mama
Anyway you wanna do That's all right, my mama
Anyway you wanna do
That's all right, my mama
Anyway you wanna do, ooh
That's all right, my mama
Anyway you wanna do Amazing grace, how sweet the sound
That saved a wretch like me
I once was lost but now am found
Was blind but now I see
