Shaken Baby

Pernice Brothers

Please don't leave, would you stay until I'm sleeping
I wake up tomorrow, still I won't feel alive
And hear the trees brush a green light on the window
And the last collision of your breath on the wallStare me down and tell me that it's true
Stare me down so I believe in you
Even then I won't believe in youPlease don't leave
Would you stay until I'm sleeping
Would you stay until I'm sleepingStare me down and tell me that it's true
Stare me down so I believe in you
Even then I won't believe in you
Shaken like a shaken babyOn and on and on
On and on and on
On and on and on
On and on and on and onPut another drop beneath those fingers in your hair
That sulk upon your chin
I think I'm too tired from the weight of putting youOn and on and onStare me down and tell me that it's true
Stare me down so I believe in you
Even then I won't believe in you
Shaken like a shaken babyOn and on and on
On and on and on
On and on and on
On and on and on and onOn and on and on
On and on and on
On and on and on
On and on and on and onOn and on and on
On and on and on
On and on and on
On and on and on and on
