

Oh! Ellin

Gob

Oh! Ellin, what can I do?
Oh! Ellin, what can I do? Oh! Ellin, what can I do?
There is nothing aside from you
Ellin, what can I do?
There is nothing aside from you I hate to say I'm starting again
To try to get you off of my mind
I must admit it's so hard to do
Oh! Ellin, with no you by my side I have the chance to land on my own two feet
And keep my chin off the ground
But now you're gone, I beat myself up about it
It sucks without you around, it sucks when you're not around Oh! Ellin, what can I do?
There is nothing aside from you
Oh! Ellin, what can I lose?
There is nothing aside from you I trace your steps but I get lost
I bet it's what you had in mind
And can't you see that all is not well?
Oh Ellin, not since you left me behind I waste away it's miserable here
It's stupid to even try to pretend
Because when you slip my mind I start to panic
I'm scared to lose you again, I'm scared I'll lose you again Oh! Ellin, what can I do?
There is nothing aside from you
Oh! Ellin, what can I lose?
There is nothing aside from you Oh! Ellin, what can I do?
There is nothing aside from you
Oh! Ellin, what can I lose?
There is nothing aside, aside from you Oh! Ellin, what can I do?
There is nothing aside from you
Oh! Ellin, what can I do?
There is nothing aside from you There is nothing aside from you
There is nothing aside from you Oh! Ellin, what can I do?
There is nothing aside from you
Oh! Ellin, what can I lose?
There is nothing aside from you Oh! Ellin, what can I do?
There is nothing aside from you
Oh! Ellin, what can I lose?
There is nothing aside from you Oh! Ellin, what can I do?
There is nothing aside from you
Oh! Ellin, what can I do?
