Be My #2 (Terry Hunter Remix)

R. Kelly

I could never be ya boyfriend
Cause you know I gotta special girl
And I cud never be ya husband
But don't don't mean you still don't rock my world
And I can you take you to an island
We can be there just the two of us
God I love to see you smilin'
All I ask is that you keep it hushedBe my #2
Girl I love you

Girl I need you
Be my #2
Girl your so fine (so fine)
Be my #2
But you will never be my #1
But you will never be my #1
But you will never be my #1I cud take you out to dinner
But there's a couple places we wont go
Cause #1 is a beginner
And there's a couple things that she don't know
So I can take you to a hotel
We can be there just the two of us
