

You Are The One (feat Sam Milby)

Toni Gonzaga

Another day passes by, I'm dreamin' of you,
And though I know it might be just a dream, dreams come true,
Somewhere, somehow i'll find you even though it takes all of
My life {all of my life} And when I finally do {and when I finally do}
I know inside my heart { I know inside my heart}
That there could be no doubt, I knew it from the start{you are the one} you are the one
That I've been searching for my whole life through,
{you are the one} you are the one that I've been looking for
And now that i have found you,
{duet} I'll never let you go, I'll hold you in my arms
You are the one
Another night spent alone
I'm lying in the dark {lying in the dark}
I don't know your name
But I know your voice sings to my heart {voice sings to my heart}
A sweet melody, a symphony of loveI know that come one day {I know that come one day}
I time for you and me {a time for you and me}
To finally be together, cause I know we're meant to be
{repeat cho. except last sentence}Forever's a meaningless word
Even though you're here with me
Here by my side, here in my heart{duet} I'll never let you go I'll hold you in my arms
{you are the one} you are the one that I've been searching for my whole life through
{you are the one} that I've been looking for and now that I have found you
{duet} I'll never let you go, I'll hold you in my arms
{repeat 1}Cause you are the one, you are the one
