

# Search Me Lord

## Ricky Dillard

you know lord  
whether i'm right  
you know lord  
whether i'm wrong  
you know lord whether i'm right or wrong  
whether i'm right or wrong

while i'm down here praying lord search my heart x3

you know lord whether i'm right  
you know lord whether i'm wrong  
you know lord whether i'm right or wrong  
whether i'm right or wrong

were your children lord  
and we need your protection  
guide us in our way  
so we won't stray

you know lord whether i'm right  
you know lord whether i'm wrong  
you know lord whether i'm right or wrong  
whether i'm right or wrong

were your children lord  
and we need your protection  
guide us in our way  
so we won't stray x2

you know lord whether i'm right  
you know lord whether i'm wrong  
you know lord whether i'm right or wrong  
whether i'm right or wrong

search me, search me lord x4

you know lord whether i'm right  
you know lord whether i'm wrong  
you know lord whether i'm right or wrong  
whether i'm right or wrong
