If I Could Write

Sam Phillips

If I could write I'd set all the words free to follow you
Tell you wonder, tell you secrets and solitude
I've had to let go of so much, it's hard to hold on now
Something far off is pulling me and when I go this time
I don't think I'm coming backI took your ring that never comes off and put it on
Sorry to lose you, sorry to keep you after you were gone
Nothing is small, nothing is unexpected, I want more
When I go this time, don't think I'm coming backDesire's the element that I can't fight, dream is the arm of God
Girl's looking for themselves in your eyes, I'm looking for you
What's this supposed to be some kind of perfect, I want more
When I go this time, don't think I'm coming back
Coming back, coming back, coming back
