

# Seven Wonders (Extended Version) [Remastered]

## Fleetwood Mac

So long ago  
Certain place  
Certain time  
You touched my hand  
All the way  
All the way down to Emmiline  
But if our paths never cross  
Well you know I'm sorry but  
If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again  
The rainbow's end So it's hard to find  
Someone with that kind of intensity  
You touched my hand I played it cool  
And you reached out your hand for me  
But if our paths never cross  
Well you know I'm sorry but  
If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again  
The rainbow's end So long ago  
It's a certain time  
It's a certain place  
You touched my hand and you smiled  
All the way back you held out your hand  
If I hope and I pray  
Ooh it might work out someday  
If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again
