

Rhymes Of An Hour

Mazzy Star

Cannot hear what you're saying
Could I tell you so?
And I can't leave my troubles
And I'm going home Lie and sleep
Under deep
You know While the cold winter waitin'
While you stumble home
All these things we were searchin'
Now we just don't know Lie and sleep
Under deep
I think you know For the rhymes of an hour
Now I'm going home
And I can't believe I'm nothing
'Coz I'm coming down Lie and sleep
Under deep
Do you know?
