Free To Love Again

Katie Price

Free to love again
Free to love again
Free to love again, ohhFree to love again
Free to love again
Free to love again
Free to love againI've never loved you more
But in that different way
I'll be a disappointment to you
Every single dayNot the one your looking for
Let me save you from your pain
Its time for me to let you go
So your free to love againYes, you're free to love
Yes, you're free to love again
Yes, you're free to love
Yes, you're free to love againFree to love again
Free to love again
Free to love again, ohhFree to love again
Free to love again
Free to love again
Free to love again, ohhI could never give to
All the things that you deserve
And know that if you stay with me
You're just waiting to get hurtI know that you can't see it now
But I won't let you pretend
Just see it as a brand new start
Don't see it as the endYes, you're free to love
Yes, you're free to love again
Yes, you're free to love
Yes, you're free to love againFree to love again
Free to love
Free to love again
Free to loveFree to love again
Free to love
Free to love
Free to loveFree to love again
Free to love again
Free to love again
Free to love againFree to love again
Free to love again

Free to love again
Free to love againYes, you're free to love
Yes, you're free to love again
Yes, you're free to love
Yes, you're free to love againFree to love again
Free to love
Free to love again
Free to loveFree to love again
Free to love
Free to love again
Free to loveYes, you're free to love
Yes, you're free to love again
Yes, you're free to love
Yes, you're free to love againFree to love again
Free to love
Free to love again
Free to loveFree to love again
Free to love
