

Beulah Land (B-side Version)

[Tori Amos](#)

Beulah Land
Got a wasted gun
Liberation man
Some you are Sometimes
Got something in that saying
Beulah girl
You better hitch me up Got some candy
And sweet saying
Give me religion
And a lobotomy Beulah land
Beautiful home
Tell me when
I don't need you anymore Said that somewhere
You're gonna get something
You're so
You're right in the middle And then I'm you
Something is coming back again
I said, you, maybe I don't wanna go
To where you're not So, Beulah land
Gonna find me a warm
Place to bathe This body on down
Got a rubber boat
And a crocodile
Gonna float on past your home And say when
Just say when
Just say when
