Fly From The Inside

Shinedown

Here's the weight of the world on my shoulders
Here's the weight of the world on my shoulders
On my shoulders, yeah, yeah
All alone I pierce the chain
And on and on the sting remains
And dieing eyes consume me now
The voice inside screams out loud
I am focused on what I am after
The key to the next open chapter
'Cause I found a way
To steal the sun from the sky
Long live that day
That I decided to fly from the inside, yeah
Every day a new deception
Pick your scene and take direction
And on and on I search to connect
But I don't wear a mask and I have no regrets
I am focused on what I am after
The key to the next open chapter
'Cause I found a way
To steal the sun from the sky
Long live that day
That I decided to fly from the inside
I can't escape the pain, I can't control the rage
Sometimes I think that I'm gonna go insane
I'm not against what's right, I'm not for what's wrong
I'm just making my way and I'm gone
Here's the weight of the world
On my shoulders
'Cause I found a way
To steal the sun from the sky
Long live that day
That I decided to fly from inside
That I decided to fly from inside
That I decided to fly from inside
