

# Birthday

## Kings of Leon

It's in the way she often calls me out  
It's in the cut of your pretty gown  
Your come-on legs and your pantyhose  
You look so precious with your bloody nose  
We're gonna come together, we're gonna celebrate  
We're gonna gather around like it's your birthday  
I don't wanna know just what I'm gonna do  
I don't care where you're going  
I'm coming home with you  
Walking her home with the grassy field  
Falling and laughing at the drinks we spill  
Just one of those nights that I have to share  
Chasing the death without a care  
We're gonna come together, we're gonna celebrate  
We're gonna gather around like it's your birthday  
I don't wanna know just what I'm gonna do  
I don't care where you're going  
I'm coming home with you  
You know I love the way you curve  
Yeah  
We're gonna come together, we're gonna celebrate  
We're gonna get around like it's your birthday  
I don't wanna know just what I'm gonna do  
I don't care where you're going  
I'm coming home with you
