Tell Me Do U Wanna

Ginuwine

Ooh ooh ah!
Check me out babyTell me do you want to go home with me?
Tell me do you want to come creep with me?
Tell me do you want to get wild with me?
Tell me do you want to go home?Tell me do you want to go home with me?
Tell me do you want to come creep with me?
Tell me do you want to get wild with me?
Tell me do you want to go home?The dance floor is jumpin'
The music is pumpin'
I'm checkin' out your grooves
'Bout to make my moves
Across this crowded room
'Cause I'm scoping youI'm feeling confident
I just came from the bar
Sick of wondering
Who the hell you are
'Cause I want you
What a nigga gotta doTell me do you want to go home with me?
Tell me do you want to come creep with me?
Tell me do you want to get wild with me?
Tell me do you want to go home?Tell me do you want to go home with me?
Tell me do you want to come creep with me?
Tell me do you want to get wild with me?
Tell me do you want to go home?You want to have some fun?
Come ride with me, let's chill
I'll take you to a place
And both of us get ill
'Cause I'm feeling you
Just tell me what to do, babyTake my hand lets go
That's all I want to do
Fellas wondering
How to step with you
'Cause my game was tight
Everything turned out right
That night, tell meTell me do you want to go home with me?
Tell me do you want to come creep with me?
Tell me do you want to get wild with me?
Tell me do you want to go home?Tell me do you want to go home with me?
Tell me do you want to come creep with me?

Tell me do you want to get wild with me?
Tell me do you want to go home?I'll break you off
'Til the sun comes up
Baby, come and get this thang girl
Won't tell a soulIt's down low
Trust me, I'll give you what you want baby
Let's go get freaky
'Cause I'm in the moodGet nasty, get wild on my side baby
Want to get in where I fit in baby
Baby, tell me do you want to goTell me do you want to go home with me?
Tell me do you want to come creep with me?
Tell me do you want to get wild with me?
Tell me do you want to go home?
