

All Or Nothing

Dirty Vegas

I have been out of my head
Hanging on by a thread
To the world I'm missing Did I fall asleep at the wheel
Get the looks that could kill
'Cos I'm not listening There must be a better way
There must be a way to change
All of us were scared to say...
So this is all or nothing Never know what the future will bring
Leave the past 'cause it don't mean a thing
So this is all or nothing
Never know what the future will bring
Leave the past 'cause it don't mean a thing
So this is all or nothing Did I beat myself up again
Hide it all from my friends
I can hear them whispering There must be a better way
There must be a way to change
All of us were scared to say...
So this is all or nothing Never know what the future will bring
Leave the past 'cause it don't mean a thing
So this is all or nothing
Never know what the future will bring
Leave the past 'cause it don't mean a thing
So this is all or nothing Never know what the future will bring!
