

# Holla If Ya Need Me

## Trey Songz

Holla  
Whoa whoa whoa oh  
I know it's been a minute since we really kicked it but I just want you to know

I can't pretend that everything's all good (all good)  
Nope I can't say that everything's all bad  
But I'm gonna say that you be on my mind  
How you doin, who you with, where you be at

Girl, we've had our share of ups and downs  
But you know that I'm gon' always be around that's fo sho  
And you know how we do, how I roll  
And remember ain't a damn thing change so

Holla if you need me  
You always gon' be my boo  
Holla if you need me  
You know I still got chu  
And if you ever need me to be  
What you need girl, I'm free and forever you can holla at me

So, holla if you need me  
You always goin' be my boo  
Holla if you need me  
You know I still got chu  
If you ever need me to be  
What you need girl I'm free and forever you can holla at me girl

I still be thinkin' bout the things you do  
I still be thinkin' bout the times we had  
Don't wanna seem like I've be missin' you  
But I am and damn it's bad girl

Girl, we've had our share of ups and downs  
But you know that I'm gon' always be around that's fo sho  
And you know how I do, how I roll  
And remember ain't a damn thing change so

Holla if you need me  
You always gon' be my boo

Holla if you need me  
You know I still got chu  
And if you ever need me to be  
What you need girl, I'm free and forever you can holla at me

So, holla if you need me  
You always gon' be my boo  
Holla if you need me  
You know I still got chu  
If you ever need me to be  
What you need girl I'm free and forever you can holla at me

Girl, you can holla at me  
Whoa whoa  
Girl I really really really wanna let chu know  
That I really really really can't let chu go  
And even if we never get it back you'll see  
You can still come and holla at me  
I want yuo to know  
Girl I really really really wanna let chu know  
That I really really really can't let chu go  
And even if we never get it back you'll see  
You can still come and holla at me

Holla if you need me  
You always gon' be my boo  
Holla if you need me  
You know I still got chu  
And if you ever need me to be  
What you need girl, I'm free and forever you can holla at me

Holla if you need me  
You always gon' be my boo  
Holla if you need me  
You know I still got chu  
And if you ever need me to be  
What you need girl, I'm free and forever you can holla at me

Girl I really really really wanna let chu know  
That I really really really can't let chu go  
And even if we never get it back girl you can still come and holla at me
