

# Broken

Lindsey Haun

Wake up to a sunny day  
Not a cloud up in the sky  
And then it starts to rain  
My defenses hit the ground  
And they shatter all around  
So open and exposed I found strength in the struggle  
Face to face with my trouble When you're broken in a million little pieces  
And you're tryin' but you can't hold on anymore  
Every tear falls down for a reason  
Don't you stop believing in your self  
When you're broken Little, girl, don't be so blue  
I know what you're goin' through  
Don't let it beat you up  
Hitting walls and getting scars only makes you who you are  
Only makes you who you are No matter how much your heart is aching  
There is beauty in the breaking, yeah When you're broken in a million little pieces  
And you're tryin' but you can't hold on anymore  
Every tear falls down for a reason  
Don't you stop believing in your self  
When you're broken Better days are gonna find you once again  
Every piece will find its place, when you're broken When you're broken in a million little pieces  
And you're tryin' but you can't hold on anymore  
Every tear falls down for a reason  
Don't you stop believing in your self  
When you're broken, oh when you're broken, when you're broken
