

# The Zone (Chopped & Screwed by Slim K)

## The Weeknd

Why you rushing me baby  
It's only us alone  
I don't wanna die tonight baby  
So let me sip this slow  
I'll give you what you called for  
Just let me get in my zone  
I'll be making love to her through you  
So let me keep my eyes closed  
And I won't see a damn thing  
I can't feel a damn thing  
But I'ma touch you right  
I won't see a damn thing  
I can't feel a damn thing  
But I'ma touch you right, oh yeah I'ma touch you right, ooh yeah (let me sip this slow)  
I'ma touch you right (let me get inside my zone)  
I'ma touch you right (just let me) And I'ma lean, lean till I fall, ooh yeah  
And I don't give a damn  
I felt the ground before I left it all behind, baby  
I didn't need no one  
But I'm here tonight baby  
I've been alone for too long  
Oh, oh yeah  
So, I won't see a damn thing I can't feel a damn thing  
But I'ma touch you right I can't see a damn thing  
I can't feel a damn thing But I'ma touch you right I'ma touch you right, ooh yeah (let me sip this slow)  
I'ma touch you right (let me get inside my zone)  
I'ma touch you right (just let me) Whoa, all these broken hearts on that pole  
Man if pole dancers an art you know how many fuckin' artists I know  
Got some new bills in the mail  
Got some big favours I owe  
Got some good things ahead of me  
When these bad bitches let go  
Well, girl let's go  
Walk your broken heart through that door  
Sit yo sexy ass on that couch  
Wipe that lipstick off of your mouth  
I take it slow  
She in love with my crew  
She said make enough so I can try some

I thought taking drugs jus' ain't you  
Yeah girl, just be you  
And I do this shit for my hometown  
It being going down it ain't new  
That's that north north, that up top  
That O-V-O and that X-O  
Your girlfriend at our next show  
But it's all good, don't stress though  
First night fuck, never really planned it  
Take a deep breath, no need to panic  
Lips so French, ass so Spanish  
You don't really like attention, I don't know if she gon' manage out here  
But she got me all up in my zone  
Said she like the view I got in this place  
Shit I did all of that on my own  
Oh yeah
