Through

Left Boy

I'm through, walkin'
Through, just sittin'
thinking that one day
you'd come with meI knew that
I was on for the day
that I saw you
walk off from school with..What was his name?
What was his name?
What was his name?
What was his name?What did you do?
What did you do?
What did you do?
What did you do?I got blood stains on my shoes
They shouldn't have told me
where to find you
My face is on the evening news
I hear the sounds going whoo, whoo, whooWhat was his name?
What was his name?
What was his name?
What was his name?What did you do?
What did you do?
What did you do?
What did you do?
