

# Nobody's Playing

[Lisa Germano](#)

These are your secrets  
Hidden inside  
Wherever you go  
Wherever you hide Nobody's playing  
Nobody knows Circles and circles  
Places to drown  
All that you feel  
Is you're going down Everyone's wondering where you are Circles and circles  
Holding you down  
All that you see  
Is you're not around Somebody knows  
How this feels Nobody's playing  
No one comes near  
No one can tell you  
What you won't hear
