Lake Calmern Is Full Now

The Kinison

Well you won't feel a thing
As far as I know
It's fast
Just think 12 more hours to go
You'll see blood red
And I'll ask my friend
What he thinks
Just what he thinks of this
I'll sit and wait
He'd hate us anywayLook shocked out there is Calmern Lake
Walk in and see Eyeore
Come in and see the single youth in me
I'll open up if you let meWell, boy you think alot
That should bother you
It damn sure bothers me
I'll sit and wait
Then I'll predict a quakeIt's just water
It's just water
It's just so It's just so It's just powder
