Roll on in the club and stroke that pussy
Bitches teach that mind all the time for the right dime
It'll blow your mind when you find what they do behind
Now there you hoes be showin' a nigga some love
Remind me of the movie 'The Players Club'
Hit the green light and ya ain't get in the building
All these hoes wanna show us they pussy
The class of the ass in the pussy line
I got a dick for trick, I got a treat for buyin'
That'll sweat the owner
Tell the customer, "Pie for sale and its sweet potato custard"
So bust it open, bust it open
Bust it open, bust it open
Bust it open, bust it open
Bust it open, bust it open
Bust it open, bust it open
Bust it open, bust it open
Bust it open, bust it open
Girl, you know you find this shit
Let's get together so we can fuck
Me and you, girl, let's just suck
Girl, you know you wanna fuck
Girl, you know you find this shit
Let's get together so we can fuck
Me and you, girl, let's just suck
Girl, you know you wanna fuck
I got a money in my hand
I'm 'bout to walk up to her and I ain't playin'
This bitch gon' hear what I'm sayin'
'Cause when I'm payin', bitch, I'm the man
So bust it open, bust it open
Bust it open, bust it open
Bust it open, bust it open
Bust it open, bust it open
Girl, you know you find this shit
Let's get together so we can fuck
Me and you, girl, let's just suck
Girl, you know you wanna fuck
Girl, you know you find this shit
Let's get together so we can fuck
Me and you, girl, let's just suck
