The Wait (Remastered)

Metallica

Motives changing
Day to day
The fire increases
Masks decay
I look at the river
White foam floats down
The body's poisoned
Got to sit tightThe wait
The wait
The wait
The wait
After awakening
The silence grows
The screams subside
Distortion shows
Mutant thoughts
Of bad mouthed news
It's just another birth
Of distorted viewsThe wait
The wait
The wait
The wait
The wait
The wait
The wait
The wait
