

# The Wait (Remastered)

## Metallica

Motives changing  
Day to day  
The fire increases  
Masks decay  
I look at the river  
White foam floats down  
The body's poisoned  
Got to sit tightThe wait  
The wait  
The wait  
The wait  
After awakening  
The silence grows  
The screams subside  
Distortion shows  
Mutant thoughts  
Of bad mouthed news  
It's just another birth  
Of distorted viewsThe wait  
The wait  
The wait  
The wait  
The wait  
The wait  
The wait  
The wait
