

# Blinded By the Sun (Stressed Out Remix)

## Gym Class Heroes

You told me it's the truth but I'm still afraid  
I'm not the one that would jump the gun  
If I had proof I'd take off my shades  
And be blinded by the sun One lie, two lies, I shoulda said shoe flies  
Shame on me, I usually see through lies  
Said you loved me, yeah, right  
I thought we were air tight You were playing foul, it was far from a fair fight  
I hung onto your every word, sweetest shit I ever heard  
I even made you pinky swear, just so I was reassured  
The rumors started gettin' back that so and so was hittin' that  
Silly me for being such a 'natic for that kitty cat You told me it's the truth but I'm still afraid  
I'm not the one that would jump the gun  
If I had proof I'd take off my shades  
And be blinded by the sun You said you were in love but the games you played  
And I hope that you're having fun  
You see I need you to take off my shades  
And be blinded by the sun Three lies, four lies, you shoulda been a tour guide  
The way you lead me on knowing I was one of four guys  
Said you loved me, okay, where were you the other day?  
Your car was parked at 38th but you were at your mother's place? Your mother lives on Broadway, I followed  
you all day  
I called but you ignored it when you kissed him in the hallway  
Call me crazy, call me odd, call me what you want to  
But Karma is a bitch, I pray to God she always haunts you You told me it's the truth but I'm still afraid  
I'm not the one that would jump the gun  
If I had proof I'd take off my shades  
And be blinded by the sun You said you were in love but the games you played  
And I hope that you're having fun  
You see I need you to take off my shades  
And be blinded by the sun I wear my sunglasses at night, so I can, so I can  
I wear my sunglasses at night, so I can, so I can  
I wear my sunglasses at night, so I can, so I can  
I wear my sunglasses at night, so I can, so I can You told me it's the truth but I'm still afraid  
I'm not the one that would jump the gun  
If I had proof I'd take off my shades  
And be blinded by the sun You said you were in love but the games you played  
And I hope that you're having fun  
You see I need you to take off my shades  
And be blinded by the sun You told me it's the truth but I'm still afraid

I'm not the one that would jump the gun  
If I had proof I'd take off my shades  
And be blinded by the sun You said you were in love but the games you played  
And I hope that you're having fun  
You see I need you to take off my shades  
And be blinded by the sun
