

# Rest

## Marcel Preston & Jonathan Clarke

Ooh baby [2x]  
Bereaved lady  
    Ooh baby  
    Ooh baby [2x]  
He carved you like a stone  
    Then left your side  
        Stop [2x]  
        Ooh baby  
        Slow steady  
Heaven's waiting  
    For you baby  
    Ooh baby [2x]  
He took your soul  
And left you out to dry  
    Stop

Now, you're home free at last  
    And the cracking whip  
        That howled  
And scarred your back  
    Has stopped  
    Ooh it stopped  
    Ooh baby [2x]  
        Love baby  
Your, your only crime  
    Ooh baby  
    Stop [2x]  
    Ooh baby [2x]  
        Love baby  
Your, your only crime  
    Ooh baby  
    Stop [2x]
