Life

Zug Izland

I've seen the light and I've
Seen the fate
And I walked away
Still I'm okI remember the pain inside
From the day when my mother died
Never went away
It's still here today[Chorus]
Ya born alone
Ya die alone
And still we live on
Yesterday is a memory
Tomorrow is a vision
But today
It's a bitch
Yesterday is a memory
Tomorrow is a vision
But today
It's a bitchAnd my baby he went to sleep
In his mother's arms we pray to keep
He shied away
He never lived a dayBest friend call me up to say
With a gun in his hand said he's goin' crazy
Said you'll be ok
He still died the next day[Chorus]
Ya born alone
Ya die alone
And still we live on
Yesterday is a memory
Tomorrow is a vision
But today
It's a bitch
Yesterday is a memory
Tomorrow is a vision
But today
It's a bitchI stood in line
I've lost my pride
I've made the change
I'm a better man todayDeath brings life
Still we try

To live a better way
Before your dyin day[Chorus]
Ya born alone
Ya die alone
And still we live on
Yesterday is a memory
Tomorrow is a vision
But today
It's a bitch
Yesterday is a memory
Tomorrow is a vision
But today
It's a bitch
Yea yea
Yesterday is a memory
But today
It's a bitch[fades]
Yea yea
Yesterday is a memory
Tomorrow is a vision...
