

Summer Love

Paul Hardcastle

La la la la, oh yeah,
La la la la, oh yeah
Was it just, just a summer love
Was it just, just a summer love
Oh, oh, oh, oh, oh, oh, oh, oh This music's kept me hypnotized
Baby play it all night
And let your colors drifting in my mind
Yes, it's gonna be, alright
Don't you know, I wanna get to know you
But maybe you don't understand
Don't you know, I'll do anything you want to
Was it just, just a summer love
Was it just, just a summer love
Was it just, just a summer love
Was it just, just a summer love
Don't you know, I wanna get to know you
But maybe you don't understand
Don't you know, I'll do anything you want to
You can help me pass the time, all day, all night
And when you're ready to feel the high
The picture comes, tonight
Don't wanna let me go, must
Anything you want, anything you want
Was it just, just a summer love
Was it just, just a summer love
Was it just, just a summer love
Was it just, just a summer love
I'll do anything you want to
Oho, just a summer love.
