## Iron & Wine

I'll make supper for myself  
I'll watch the clock upon the shelf  
I'll clean this broken house Is your time better spent?  
By giving such a small percent  
Your every pleasant dream that I've tried Once this ugly thing I see  
When was this cold calling me?  
And in my [?]  
They got him I sleep with the lights left on  
Until all restraints are gone  
Is there something you've forgotten? Who knew?  
Some want the better  
And all we had  
Waited in the next room And a fool just to carry on  
You're the thing that I belong to Instrumental Underneath is falling down  
Silence, turn around  
These games aren't too fun when you're gone Where you go and why do you leave?  
I'll close my eyes  
And count to 3  
Then hurry up  
And wait by the phone Who knew?  
Some want the better  
And all we had  
Waited in the next room And a fool just to carry on  
You're the thing that I belong to
