Ruby Dear

Talking Heads

'Round and 'round and we won't let go
And where we stop no one knows
Uh huh, uh huh
Down and down in a spin we turn
Looking like we'll never learn
Uh huh, uh huhThink about what everyone is saying
Ruby dear, oh don't you hear?
Late at night when the radio is playing
Ruby dear, so looky hereOh this record's broken
It slips a beat

And all those watermelons

Have gone to seedNothing lives in this dirty little river

No one here will shed a tear

It dried up but it couldn't run forever

Ruby dear that's what we hearI still like the ocean

Down by the sea

They left that door wide open

It tempted meHounding me from the bedroom to the kitchen

Ruby dear, I'm still not here

Now they throw the fox amongst the chickens

It's too deep, I'll drown in my sleepAngels and prostitutes

They might look the same
And if to Hell we're going
I'll see you there'Round and 'round and we won't let go
And where we stop no one knows

Uh huh, uh huh

Down the street where the bonfires glow

Looking like they lost control

Uh huh, uh huhSettle down in that rocking chair

Breathing in that rotten air

Uh huh, uh huh

Johnny Jones fell fast asleep

Down a hole where the rocks are steep
