Reel Big Fish

Watchin' you sleep I'm lookin' in your window
Everyday I drive past your house
Standin' in your front yard why don't you come out?
Watchin' you sleep...nowhere to hide
One of these days I'm gonna come inside
It must be love
What else could it be?
Fuck you bitch I love you I'm not crazy?!
Walkin' up to her now she's walkin' away
I just want to talk to you! Maybe she's got better things to do
Don't be afraid, to feel my touch,
Don't worry babe I won't hurt you much. It must be love
What else could it be?
Fuck you bitch I love you I'm not crazy. I'm gonna make you love me!
I'm gonna make you love me!
I'm gonna make you love me!
No matter what you say, now here I come.
