

Breaking Inside

Shinedown

I caught a chill and it's still frozen on my skin
I think about why I'm alone by myself no one else to explain
How far do I go no one knows
If the end is so much better why don't we just live forever? Don't tell me I'm the last one in line
Don't tell me I'm too late this time I don't wanna live to waste another day
Underneath the shadow of mistakes I've made
'Cuz I feel like I'm breaking inside I, I, I, I don't wanna fall and say I lost it all
'Cuz maybe there's a part of me that hit the wall
Leaving pieces of me behind
And I feel like I'm breaking inside Out here nothing's clear
Except the moment I decided to move on and I ignited
Disappear into the fear
You know there ain't no coming back when you're still carrying the past You can't erase, separate
Cigarette in my hand, hope you all understand
I won't be the last one in line
I finally figured out what's mine I don't wanna live to waste another day
Underneath the shadow of mistakes I've made
'Cuz I feel like I'm breaking inside I, I, I, I don't wanna fall and say I lost it all
'Cuz maybe there's a part of me that hit the wall
Leaving pieces of me behind, leaving pieces of me behind
And I feel like I'm breaking inside I won't be the last one in line
I finally figured out what's mine I don't wanna live to waste another day
Underneath the shadow of mistakes I've made
'Cuz I feel like I'm breaking inside I, I, I, I don't wanna fall and say I lost it all
'Cuz maybe there's a part of me that hit the wall
Leaving pieces of me behind, leaving pieces of me behind
And I feel like I'm breaking inside And I feel like I'm breaking
And I feel like I'm breaking inside
