I Wanna Have Some Fun

Samantha Fox

Hello, its me again
Dont you know its hard to keep a good woman down
But then again, maybe that could be fun
Sa-Sa-Samantha FoxAint it funny how when I say lets go out
Youre always saying someone else will get me
Whats a girl to do, I like to have fun too
But youre so jealous, you never let meSo how come you can leave but when it comes to me
Always something I must prove
You know I love you, always thinking of you
But tonight Ive got to make that moveI wanna have some fun
Move my body all night long
I wanna have some fun
Move my body all night longWorking 9 to 5 each and every day
What your momma used to say, all work, no play
I know what to do, I think Ill call my crew
Of course, I love you but naughty girls need fun tooCould it be that I make you feel guilty why
Is there something I cant see, no
I just dont buy it, so dont even try it
Ive got to go in the place to beI wanna have some fun
Move my body all night long
Working hard every day
So I aint staying home no wayI need it
I want it
Got to
Flaunt itIm not a prisoner, cant you see
Unlock the door so I can breathe
Whenever it comes to you my dear, I say stay with me
But you still go, so now I learn, its my turnI want you to stay here with me
You can have fun with me, with you?
Yeah, with me
Come on, I can have loads of fun without you, without me?
Yeah
