

I Wanna Have Some Fun

Samantha Fox

Hello, its me again
Dont you know its hard to keep a good woman down
But then again, maybe that could be fun
Sa-Sa-Samantha Fox Aint it funny how when I say lets go out
Youre always saying someone else will get me
Whats a girl to do, I like to have fun too
But youre so jealous, you never let me So how come you can leave but when it comes to me
Always something I must prove
You know I love you, always thinking of you
But tonight Ive got to make that move I wanna have some fun
Move my body all night long
I wanna have some fun
Move my body all night long Working 9 to 5 each and every day
What your momma used to say, all work, no play
I know what to do, I think Ill call my crew
Of course, I love you but naughty girls need fun too Could it be that I make you feel guilty why
Is there something I cant see, no
I just dont buy it, so dont even try it
Ive got to go in the place to be I wanna have some fun
Move my body all night long
Working hard every day
So I aint staying home no way I need it
I want it
Got to
Flaunt it Im not a prisoner, cant you see
Unlock the door so I can breathe
Whenever it comes to you my dear, I say stay with me
But you still go, so now I learn, its my turn I want you to stay here with me
You can have fun with me, with you?
Yeah, with me
Come on, I can have loads of fun without you, without me?
Yeah
