

# Back from the Dead

## House of Pain

Straight out the casket, risin' up  
Open up your eyes, can't you see me?  
What the fuck is this? Madness, pick up my bones  
Erase my name from off the tombstones  
Alive and kickin', breathing the air  
Call out my name, punk, and I'll be there  
No question, my suggestions of the action  
Caught smack dab in the middle of the blastin'  
Messin' with me, you're messin' with the best  
Blaow, you're takin' two shots to your chest  
Cuz I'm back from the dead  
Everlast comin' back from the dead  
(Back from the dead)  
You know I'm back from the dead  
And I'll put a freakin' hole in your head  
Back from the dead, back from the dead  
You can't disrespect it, I'm the  
resurrected  
Back from the dead just to mess with your head  
I'll stress what I said, but I won't repeat it  
If you've got a cold starve it, if you've got a fever feed it  
And if you can't feed it then why not blow  
You may be positive and not even know  
I rock the hardcore from the floor to the ceilin'  
I give sexual healing, I'll get your girl squealin' like a pig  
My grave's somethin' you can never dig  
I'll rock a mausoleum, back yard or colosseum  
Cuz I'm back from the dead  
Everlast's comin' back from the dead  
(Back from the dead)  
You know I'm back from the dead  
House of pain's in effect, 'nuff said  
Skip the autopsy 'cuz I never O.D.'d  
I only puff boom kid, I never get skeed  
I don't sniff or shoot up, ruff I'll stick my boot up  
Your ass quick fast, Everlast don't jive  
Just like Pearl Jam I'm still alive ("Look at all these rumors")  
Spreadin' like tumors, gossip and lies  
Exaggerated reports of my demise  
And if you believed 'em, well, then you got gassed  
The media deceived 'em just like in the past  
Cuz I'm, back from the dead  
Everlast's comin' back from the dead  
(Back from the dead)  
You know I'm back from the dead  
And I'll put a freakin' hole in your head  
Back from the dead, back from the dead  
Like Steven Seagal I'm hard to  
kill

Like GiGi Allen I'm crazy ill  
I'll beat you down with my mic, kick your ass with my Nike  
Bust you in the eye if you tell another lie  
Ashes to ashes, dust to dust  
Thinkin' I'm dead you must be smokin' dust  
Come see me bust in the flesh, it's a must'Cuz I'm back from the dead  
Everlast comin' back from the dead  
(Back from the dead)  
You know I'm back from the dead  
House of pain's in effect, 'nuff saidBack from the dead  
Back from the dead  
Back from the dead

...
