

Nobody Puts Baby In The Corner

Fall Out Boy

Drink down that gin and kerosene
And come spit on bridges with me just to keep us warm
Then light a match to leave me be
Light a match to leave me be

I keep my jealousy close cause it's all mine
And if you say this makes you happy then I'm not the only one lying

[Chorus]

Keep quiet

Nothing comes as easy as you

Can I lay in your bed all day

I'll be your best kept secret and your biggest mistake

The hand behind this pen relieves a failure everyday

Keep quiet

Nothing comes as easy as you

Can I lay in your bed all day

I'll be your best kept secret and your biggest mistake

The hand behind this pen relieves a failure everyday

And I keep my jealousy close cause it's all mine
And if you say this makes you happy then I'm not the only one lying

Drink down your gin and kerosene
And come spit on bridges with me just to keep us warm
Then light a match to leave me be
Light a match to leave me..

[Chorus]

So wear me like a locket around your throat

I'll weigh you down

I'll watch you sulk

You look so good in blue

You look so good in blue

So wear me like a locket around your throat

I'll weigh you down

I'll watch you choke

You look so good in blue
You look so good in blue
So wear me like a locket around your throat
I'll weigh you down

I'll watch you choke
You look so good in blue
You look so good in blue

[Chorus 2x]
