

# Mykonos

## Fleet Foxes

The door slammed loud and rose up a cloud of dust on us  
Footsteps follow, down through the hollow sound, torn up. And you will go to Mykonos  
With a vision of a gentle coast  
And a sun to maybe dissipate  
Shadows of the mess you made Pallid animals in the snow tipped pines, I find  
Hatching from the seed of your orphaned mind, all night. And you will go to Mykonos  
With a vision of a gentle coast  
And a sun to maybe dissipate  
Shadows of the mess you made Brother you don't need to turn me away  
I was waiting down at the ancient gate You go  
Wherever you go today  
You go today I remember how they took you down  
As the winter turned the meadow brown You go  
Wherever you go today  
You go today When a-walking brother don't you forget  
It ain't often that you'll ever find a friend You go  
Wherever you go today  
You go today
