

# Get It All

LMNT

Here we are, In the middle  
Of a perfect chance to get down  
Don't question it, don't  
We can flow, for a little  
But you're about to make me bust out  
If I can't have some more, gotta have some more  
You got me trippin' on ya babe  
It's almost more than I can take  
You got me thinkin' there's so many things  
I want to do  
Tonight, time is right  
Just want to play and hit rewind  
On your love  
Cause I just can't get enough[Chorus]  
I just want to get it all from you  
Everything you want I got it too  
Baby give it up, it's what I need  
Cause you know you'll get it all from me You got me trippin' on ya babe  
You got me trippin' baby yeah  
You got me trippin' on the way you oh Let's get close  
Baby closer  
Cause I'm feeling you all over  
All over baby  
I like how you move  
Move your body  
I like what you got, so don't you stop  
Baby - Bout to make me want to  
Tonight, time is right  
Just want to play and hit rewind  
On your love  
I could never get to much  
Whoa, oh[Chorus] You got me trippin' on ya babe  
You got me trippin'  
You got me trippin' on the way you oh[Bridge]  
You got me giving in tonight  
You're doing everything right  
You got me thinking there's so many things I want to, I want to[Chorus: x3](Get it all, I gotta get it all from you)  
(And I, know I got it too)  
(Baby give it up, baby give it up)

(Get it all, I gotta get it all from you)  
(And I, know I got it too)  
(Baby gimme some, baby gimme some)Get it all, gotta get it all from you  
And I, you know I got it too  
Baby give
