

# All You See

## Forgotten Boys

Ooh Ooh

Ah Ah

Ha Ha

Hey Hey

Ooh Ooh

Ah Ah

Ha Ha

Hey Hey

You best believe

Everyday i get the same ol' thang  
All kind of brothers comin' up to me  
With silly lines that can make you sick  
(Oh they need to quit!)

Don't get me wrong I like attention too  
But do they really have to act a fool:  
'cause' they see a lady lookin' good  
(Please admit..)

\*CHORUS\*

Is it my hips, my lips?

My eyes, my thighs?

My chest, my hair?

Is it my big ol',,,

Heeeeeey is that all you see?

-Repeat Chorus-

In a limousine, fancy cars, bling bling bling  
Even if you're standing 6 foot 3,  
Or 3 feet tall with no teeth  
Have respect for me

Try conversation please  
Before you try to put your hands on me  
When will they ever learn there's more to me that T&A on this PYT?  
(Daddy Please!)

CHORUS 2x

And you acting like you don't know  
Why some brothers always lose control  
When you wearing them hip-high jeans  
With ya thong out baby please,  
Let a player speak and don't ya start to tweak!

You got the body that can make men weak.  
So when you walk around in "Do Me" clothes, like them "VideHoes",  
Girl ya need to know,  
That all I'm lookin' at is....

CHORUS 2x

Ad-lib-

Sexy underwear, I see  
OOh and you know I love your hips  
Something about your thighs  
It's driving me crazy  
Ooh ah ha hey hey  
Ooh Ooh  
Ah Ah  
Ha Ha  
Hey Hey  
Is that all you see????
