

You Shook Me

Led Zeppelin

You know you shook me Â
You shook me all night long.Â
You know you shook me, baby Â
You shook me all night long.Â
You shook me so hard baby Â
Baby, baby, please come home.Â I have a bird that whistles Â
And I have birds that sing.Â
I have a bird that whistles Â
And I have birds that sing.Â
I have a baby, won't do nothing Â oh!Â
Oh, oh, buy a diamond ring.Â You know you shook me, baby Â
You shook me all night long.Â
I know you really, really, did baby.Â
I said you shook me, baby.Â
You shook me all night long.Â
You shook me so hard, baby.Â
You shook me all night long
