

# Diallo

## Denis Colin Trio

Boy I am so tired  
I'll be glad when I get inside the house  
Oh, I dropped my keys  
Oh what tis bright light?  
My God they must gonna rob me  
Who these people with them all at they gonna rob me  
I'm gonna take out my wallet to make sure they just get the money  
Nothing else  
Oh it's the police (whew)  
I feel so much better  
I will show them, I have my ID  
So they know I am good people  
Even though I walk through the valley of the shadow of death  
I fear no evil for thou art with me thou ride with me  
J-J-Jah! Ras-tafari  
I can't forget you knotty dreads, y'all up in here  
I gotta respect that, youknowwhatI'msayin?  
Night is in the air  
Enemy on the borderline  
Who'll be the next to fire  
Forty-one shots by Diallo's side?  
You said he reached sir  
But he didn't have no piece sir  
But now he rest in peace sir  
In the belly of the beast sir  
You guys are vampires  
In the middle of the night  
Suckin on human blood  
Is that your appetite?  
You said he reached sir  
But he didn't have no piece sir  
But now he rest in peace sir  
In the belly of the beast sir  
Have you ever been shot  
Forty-one times?  
Have you ever screamed  
And no one heard you cry?  
Have you ever died  
Only so you can live?

Have you ever lived  
Only so you can die again, then be born again  
From these enemies, on the borderline  
Who'll be the next to fire  
Forty-one shots by Diallo's side?  
You said he reached sir  
But he didn't have no piece sir  
But now he rest in peace sir  
In the belly of the beast sir  
You guys are vampires  
In the middle of the night  
Suckin on human blood  
Is that your appetite sir?  
You said he reached sir  
But he didn't have no piece sir  
But now he rest in peace sir  
In the belly of the beast sir  
Diallo, Diallo - similar to Steven Biko  
Diallo, Diallo - you told me the murder was an error  
Diallo, Diallo - but every man will be judged  
Diallo, Diallo - according to his words  
Have you ever been held  
Against your will?  
Taken to a dark place  
Where not even scientists can reveal?  
So what is for Ceasar  
Let it be for Ceasar  
Cause we don't want no peace  
We want equal rights and justice for  
Diallo, Diallo - similar to Steven Biko  
Diallo, Diallo - you tell me that the murder was an error  
Diallo, Diallo - but every man will be judged  
Diallo, Diallo - according to his words  
You know what?  
You told me - that I wouldn't understand man  
Tonight some cry - in the streets a burial  
Survival of the fittest - only the strong will survive  
How can I survive - with forty-one shots by my side?  
You guys are murderers  
In the middle of the night  
Killin innocent people  
Is that your appetite? Ohhh  
You said he reached sir  
But he didn't have no piece sir  
But now he rest in peace sir
