

I Need A Man

Eurythmics

Hey, is this my turn?
You want me to sing now?
Okay I dont care if you wont talk to me
You know Im not that kind of girl
And I dont care if you wont walk with me
It dont give me such a thrill And I dont care about the way you look
You should know Im not impressed
Cause theres just one thing that Im looking for
And he dont wear a dress I need a man
I need a man
I need a man
I need a man Baby, baby, baby dont you shave your legs
Dont you double comb your hair
Dont powder puff just leave it rough
I like your fingers bare When the night comes down
I can turn it round, I can take you anywhere
I dont need love forget that stuff
You know that I dont care I need a man
I need a man
I need a man
I need a man I dont need a heartbreaker, fifty-faced trouble maker
Two timing time taker, dirty little money maker
Muscle bound cheap skate, low down woman hater
Triple crossing, double dater, yella bellied alligator I dont care if you wont talk to me
You know Im not that kind of girl
And I dont care if you wont walk with me
It dont give me such a thrill And I dont care about the way you look
You should know Im not impressed
Cause theres just one thing that Im looking for
And he dont wear a dress I need a man, leave me alone
I need a man, don't take me home
I need a man, baby you are just all the blonde Hey boy c'mon
I'll take you anytime
Baby, baby, baby
