Settle For Less

Before You Exit

Everybody deserves somebody,
But girl nobody can love like I do

You could be a super model,
President or write a novel
But he?s holding your back
And you?re better than that
He won?t even buy you flowers,
Stay up late and talk for hours
I think I can do that
I can be better than that
You should know?

Everybody deserves somebody,
But girl nobody can love you like I do
And I?m not perfect but you?re so worth it
I wanna change the world for you,
So baby don?t settle for less
You deserve the best,
You?re better than the rest
And I can be the best,
So baby don
